

Moritz Schumacher

me@moritz-schumacher.com | [LinkedIn](#)

Digital Strategist with a unique dual-track background: Deep industrial DNA (thyssenkrupp nucera) combined with digital venture experience (Burda). Proven track record of breaking existing paradigms by implementing digital solutions in complex corporate environments. Eager to shape thyssenkrupp nucera's digital journey, leverage AI into sustainable solutions, and inspire a culture of digital innovation.

PROFESSIONAL EXPERIENCE

thyssenkrupp nucera (SDAX-listed hydrogen electrolyzer manufacturer) | Dortmund

Strategic Program Manager

07/2025 - present

- **Program Management:** Managed strategic workstreams for company scaling (Partnership, Cost Down, Sales Scope, New Technology Venture); partnered with senior leads to calculate business cases and define roadmaps, ensuring strict alignment on strategic priorities and financial targets.
- **Process Automation:** Architected and built an internal SaaS engine for strategy execution using Power Platform and AI integration. Replaced legacy manual processes and reduced operational workload by up to 90%.
- **AI Implementation:** Initiated and deployed high-impact AI initiatives in the green hydrogen department – e.g., data-driven sales funnel, AI Knowledge Hub, and data lake architecture.

Executive Assistant to the CEO [Vorstandsreferent]

06/2024 - 06/2025

- **Project Leadership:** Led cross-functional CEO strategic initiatives - e.g. cost and business-case analyses, technology benchmarks, M&A assessment, strategy reviews, carve-out assessments.
- **Strategic Advisory:** Advised senior executives on framing of Board materials, refining C-level messaging for clarity and decision-readiness.

Hubert Burda Media (Media & tech group) | Munich, Hamburg, Offenburg, Bangkok

Management Graduate Program (Fast-track program; rotations across 9 Burda businesses)

09/2022 - 05/2024

- **AI Venture Building** (BurdaForward): Founded and led an AI-driven media startup. Secured €60k internal funding, formed a cross-functional team, and managed the full product lifecycle: ideation, user research, product tests, business modelling, go-to-market strategy.
- **Tech Transformation** (XING / New Work SE): Managed the PMO for the largest product transformation in XING's history. Ensured the company's first on-time launch of a project of this magnitude.
- **M&A & Digital Strategy** (Corporate M&A): Conducted deep-dive market analysis for app subscription models; identified acquisition targets; created valuation models.
- **Cost Down** (BurdaForward): Led a Q4 cost-optimizing program, realizing seven-figure savings.
- **International Market** (Burda Thailand): Strategized Burda Asia's entry in new special interest publishing sectors.

Conciso. (IT Consulting) | Dortmund

Strategic Projects & Operations (Working Student)

02/2018 - 06/2022

- **Scaling Operations:** Supported the founders in scaling the organizational structure from 20 to 70+ employees; acquired and managed a €250k software development project.

Amazon Germany | Berlin

Business Development (Internship)

06/2021 - 08/2021

- **Tech sales:** Recruited large marketplace sellers to a program to store and sell goods across European countries.

Fencing Club – State Training Center | Hagen

Chairman of the Board

10/2017 - 03/2021

Voluntary leadership: Mobilized a team of 4 coaches and 4 board members; designed structural change.
